## RULINGS OF THE CHAIR—

(All rulings by the Lieutenant Governor  
unless otherwise indicated.)

A Concurrent Resolution granting a hol-  
iday to State employees does not come  
within the Governor's Call for a Spe-  
cial Session which does not include  
that subject 29

A bill that relates to tuition and fees at  
State-supported institutions of higher  
education does not come within the  
Governor's Call for a Special Session  
"to provide for the retirement of the  
deficit in the State Treasury; to enact  
appropriations for general State serv-  
ices; provide adequate provisions . . .  
for the Escheat Laws; to provide legi-  
slation to adequately protect State and  
public rights and uses of beaches . . ." 36

An amendment that seeks to set up reg-  
ulations and restrictions relative to use  
of beaches is not germane to the cap-  
tion of a bill "to grant authority to  
Commissioners Courts of certain coun-  
ties to regulate motor vehicular traffic  
and littering . . ." on certain islands  
(Ruling by Senator Martin on Point of  
Order raised by Senator Hudson) 63

A bill that relates to tuition and fees at  
State-supported institutions of higher  
education is not a tax bill 67

A bill that relates to tuition and fees  
at State-supported institutions of high-  
er education may be considered at Spe-  
cial Session if the Governor submits  
the subject in a subsequent message  
even though his original Proclamation  
for the Special Session did not in-  
clude that subject 79

A bill that relates to hunting, fishing,  
camping, encroaching or damaging en-  
closed lands of another without consent  
may be considered at a Special Session  
where the subjects submitted by the  
Governor for consideration include  
"any local or general bills relating to  
game and fish laws . . ." 302

An amendment seeking to include  
beaches bordering on the seaward  
shore of the Gulf of Mexico is not ger-  
mane to the caption of a bill relat-  
ing to "entering of enclosed lands of  
another without consent . . ." (Ruling  
by Senator Aikin on Point of Order  
raised by Senator Kazen) 307

An amendment seeking to include all  
counties in the State is not germane to  
a bill whose caption names and applies  
to only one specific county. (Ruling by  
Senator Martin on Point of Order  
raised by Senator Hardeman) 316
